## **Descriptive Plan Type II**

## **Showing Surface Parcel Class Code Change**

In St/L 22, Plan OLD 33, Ext 0

By Keith Krawczyk

**Date** (12/01/22)

I, <u>Keith Krawczyk</u>, of the <u>City of Regina</u>, on <u>December 1, 2022</u> request the closure of the lane way as described below. All required consents have been submitted with this plan.

## **SCHEDULE**

| Existing<br>Parcel<br>Number | Existing Parcel Legal Land Description | Existing Old Parcel<br>Class Code | New Parcel<br>Class Code | New Parcel<br>Legal Land<br>Description |
|------------------------------|--|-----------------------------------|--------------------------|---|
| N/A                          | St/L 22, Plan OLD 33,<br>Ext 0         | Street                            | Generic                  | TBD                                     |

(Use separate rows for separate lots.)

Upon completion of the above parcel class code changes, the boundaries of the resulting parcels TBD are the same as those that constitute the perimeter of the lane  $\underline{St/L\ 22}$  as shown on plan  $\underline{OLD33}$
