To: Members,
Accessibility Advisory Committee

Re: Design Regina and Transportation Master Plan Update

The purpose of this communication is to provide an opportunity for the City Administration to provide a presentation intended to update the Accessibility Advisory Committee on both Design Regina and the Transportation Master Plan study.

Respectfully submitted,

Todd Blyth, Secretary
Accessibility Advisory Committee

4. Communication Strategy	Establish a working group to implement a snow removal week similar to the accessible parking week (help your neighbour campaign)	All	Lead		Immediately

June 6, 2012

To: Members,
Accessibility Advisory Committee

Re: Canadian Paraplegic Association Wheelchair Relay

The purpose of this communication is to facilitate discussion around the idea of entering a team into the Canadian Paraplegic Association Wheelchair Relay at 1:00 P.M. on September 8, 2012 at the Caldonian “Callie” Curling Club. If the committee does decide to enter the event, it would also be appropriate to choose both who would participate as well as who will take responsibility to register the team(s).

There is no registration fee for this event. It operates on a pledge based system. If the Committee decides to enter, the participants will receive a package with information on how to collect donations for the fundraiser.

The relay requires teams of four to maneuver wheelchairs around a figure eight course. The event wishes participants to register as soon as possible. If members wish to solicit more information, the event’s website is www.spinalcordinjurysask.com.

Respectfully submitted,

Todd Blyth, Secretary
Municipal Heritage Advisory Committee
