Recommendation

1. The Minister of Government Relations has indicated the Kal Tire subdivision and rezoning application west of the city in the Rural Municipality of Sherwood (RM) will proceed and be approved, therefore the City of Regina (City) recommends to the Provincial Ministry of Government Relations (Province) that only the proposed Kal Tire development parcel within a portion of NE $\frac{1}{4}$ of Section 8-17-20-W2M be removed from Map 13 Future Urban Development of the *Sherwood-Regina Planning District Development Plan* (District Plan).
2. That, further to recommendation #1, the City recommends to the Province that the balance of Section 8-17-20-W2M (excluding the Kal Tire parcel) and the entire Section 5-17-20-W2M remain identified as Future Urban Development on Map 13 of the District Plan pending further study of future land use and other implications through the completion and approval of the RM's and City's Official Community Plans (OCP's) and joint planning agreements between the City and RM.
3. That the City recommends that the Province withhold approval of the RM's proposed amendments to Map 13 of the District Plan east of the city in N $\frac{1}{2}$ of Section 23 and Section 24 in Township 17 Range 19 W2M that were referred back to the City Administration from report CR12-163 pending further study of future land use and other implications through the completion and approval of the RM's and City's Official Community Plans and joint planning agreements between the City and RM.
