Administration's Report

EX13-43 Provincial Review of Property Tax Tools

Recommendation

1. That a copy of this report and a copy of report CR13-16 be forwarded to the Minister of Government Relations along with a letter that:
 - opposes any changes that would remove local government's ability to use tax tools as each community is unique in terms of the make up of the commercial tax base and the residential property tax base and therefore there is a need to have authority to use these tools to manage these differences to maintain stability;
 - cautions against rushing this review as it may result in unintended consequences; and
 - requests a further opportunity for the City of Regina to comment on tax policy changes once the province has developed a concrete proposal; and
2. That this report be considered by City Council on August 26, 2013.
