Re: 2019 Review of Outstanding Items

---

**RECOMMENDATION**

1. That the following items be deleted from the List of Outstanding Items for the Public Works and Infrastructure Committee:

<b><u>Item</u></b>	<b><u>Committee</u></b>	<b><u>Subject</u></b>
EX16-27	Public Works and Infrastructure Committee	Councillor John Findura – Noise-Attenuation
EX18-16	Public Works and Infrastructure Committee	Safety in School Zones

2. That the updated List of Outstanding Items be forwarded to Executive Committee for information.

**CONCLUSION**

This report reviews the status of outstanding items that have been referred to the Administration for reports to the Public Works and Infrastructure Committee. The Public Works and Infrastructure Committee should review the items and provide instructions on the need for any changes to priorities.

**BACKGROUND**

Subsection 35(2) of City Council's Procedure Bylaw requires the City Clerk to provide a report to the Executive Committee annually which lists all items and the priority of the items that have been tabled or referred by City Council or one of its committees. The purpose of this report is to provide a list of the outstanding items for the Public Works and Infrastructure Committee as at November 30, 2019.

**DISCUSSION**

Lists of Outstanding Items are maintained for City Council and its main committees. Items on the list may originate from:

- a recommendation in a report which indicates that another report will be forthcoming;

- a motion adopted to refer an item back to the Administration or to request a report on a related matter;
- a motion adopted by City Council or another committee requesting the Administration to prepare a report.

The Office of the City Clerk is responsible for maintaining and updating the lists. Items remain on the list until a report or the committee recommends their removal. The list is updated with additions and deletions, as meetings are held, and after review by Executive Committee. The last review of outstanding items as at November 21, 2018, was considered by Executive Committee on February 13, 2019.

The following steps were taken to facilitate the annual review of the outstanding items:

- the list of outstanding items are regularly circulated to departments for comments;
- the comments and lists are returned to the Office of the City Clerk for consolidation.

The outstanding items report is first being circulated to the affected Committees prior to Executive Committee consideration. This process allows committees to have more detailed discussions of each item with the Administration and among themselves to determine priorities for Council consideration.

Attached to this report as Appendix “A” is a list of the outstanding public session items before the Public Works and Infrastructure Committee.
