ISSUE

At its June 10, 2020 meeting, the Finance and Administration Committee considered report FA20-9 recommending the authorization of a funding contribution agreement between the Globe Theatre and City of Regina (City). As part of the deliberation, the Committee requested a supplemental report outlining ways the Globe Theatre, in collaboration with the City, provides support to the community.

IMPACTS

The Globe Theatre programs and services support policies within the City's Cultural Plan, specifically the provision of support for artists and the arts, improving access to the arts and cultural resources, and the conservation of cultural heritage resources.

There are no further financial, environmental, risk/legal impacts with respect to this supplemental report.

OTHER OPTIONS

None with respect to this supplemental report.

COMMUNICATIONS

None with respect to this supplemental report.

DISCUSSION

The Globe Theatre is a Community Partner of the City because of the unique and strategic impact the Globe Theatre has on the local arts sector. The Globe Theatre's contributions are strongly aligned with all three goals of the Cultural Plan: *Embrace Cultural Diversity*; *Strengthen the Artistic and Cultural Community*; and *Commemorate and Celebrate Regina's Cultural Heritage*. The Globe Theatre has a track record of producing the work of diverse and under-represented artists and communities. It is one of the largest employers of artists in Saskatchewan, who regularly partners with other arts organizations to build their capacity. The Globe Theatre has made a commitment to rehabilitating and conserving an important heritage landmark in the downtown.

The City will continue to monitor and evaluate this investment to ensure it continues to align with our Cultural Plan.

The Globe Theatre has provided further information in Appendix A to address the request of the Finance and Administration Committee.
