RECOMMENDATION

The Priorities and Planning Committee recommends City Council:

1. Direct the Administration to develop a community-wide Energy & Sustainability Framework and Action Plan that includes:
 - a. Community and municipal wide action plans, with timelines and targets to achieve a renewable Regina by 2050.
 - b. Actions focused on land use and transportation planning, development and building permit guidelines, energy efficient building design, transportation demand management, waste management, energy conservation, regulatory tools, financial tools, advocacy for legislative change, as well as public education and awareness.
 - c. Community engagement through the development and implementation.
 - d. A regular and ongoing progress reporting framework that includes community reporting at regular intervals.
 - e. A preliminary estimate of the financial and economic impacts associated with implementing an action plan.

HISTORY

At the September 23, 2020 meeting of the Priorities and Planning Committee, the Committee considered the attached PPC20-14 Energy & Sustainability Framework Update report from the Citizen Experience, Innovation & Performance Division.

The following addressed the Committee:

- Emily Eaton;
- Robbi Humble;
- Mac Findlay, representing Fridays for Future Regina;
- Brett Dolter;
- Larissa Shasko;
- Matt Dipple;
- Laura Stewart;
- Yvette Crane;
- Erwin Heuck;
- Adam Putz, representing Piller & Putz Construction;
- Dan Beveridge;
- Mitch Carlson, representing MCE Consulting;
- Dr. Roger Petry; and
- Shanon Zachidniak and Will Ingenthron, representing Wascana Solar Co-operative.

The Committee adopted a resolution to concur in the recommendation contained in the report, after amending recommendation #3 for approval at the October 28, 2020 meeting of City Council.

Recommendation #2 and #3 noted in the attached report, PPC20-14, do not require City Council approval.

Respectfully submitted,
