

April 25th, 2018

I Jesse MacDonald (owner 1817 Halifax St) and Jesse Exner (operating artist of BlackSmith Art Studio) wish to appear before council. This is in regards to an amendment that has been submitted to remove reference to a Tattoo Parlor as a defined land use and to consider a Tattoo Studio within the Personal Service Establishment land use category. As well a discretionary application has been submitted for the consideration of a Personal Service Establishment (Tattoo Studio) at 1817 Halifax Street.

We would like the opportunity to appear before council to answer any questions they may have concerning these two topics.

Regards,

Jesse MacDonald
