Good evening,

My name is Jenny Côté and I am the President of the Centre Éducatif Gard'Amis. It is a French language daycare that is adjoined with École Monseigneur de Laval primary school.

I represent the interests of the families of the daycare. The daycare is run as a non-for-profit Cooperative. In October 2017 the members of the Cooperative voted to purchase a house located at 2 Turgeon Crescent to open a second French daycare. This was necessary due to space constraints on our existing location and demand for daycare placements.

Sylvie Gaudreault, the director of the daycare, and I are available to answer any of your questions or concerns during this session.

Merci

Jenny Côté, President & Sylvie Gaudreault, Director
