

The site plan shows the layout of the Future Regina Victory Church and its surrounding area. The church building is a large rectangular structure with a total width of 130.0' (39.624 m) and a depth of 28.28' (8.62 m). The building is oriented with its long side facing Weaver St. The parking lot is located to the right of the church, with a total width of 48' (14.63 m) and a depth of 206.3 feet. The parking lot is divided into several rows of spaces, with the first row having 3 spaces, the second row having 2 spaces, and the third row having 1 space. The parking lot is paved with asphalt. A grass area is located to the left of the church, with a total width of 150' (45.720 m) and a depth of 28.28' (8.62 m). The grass area is divided into several sections, with the first section having a width of 49' and the second section having a width of 51'. The site is bounded by Weaver St. to the north and a property line to the south. The property line is marked with a distance of 154.3' (47.04 m) from the church building. The site is also marked with various dimensions and labels, including 'FUTURE REGINA VICTORY CHURCH', 'Pavement - asphalt', 'grass area', 'IN', and 'OUT'.
