Dear Ms. Anderson:

**RE: The Regina Exhibition Association Limited (REAL)
Additional Information Requested – 2019 Capital Budget**

Dear Ms. Anderson

In alignment with your request for further information on the detail for REAL's 2019 Capital Budget please find the following information:

- In alignment with the 2019 Operating and Capital Budget information submitted on November 5, 2018 and presented to Executive Committee on November 14, 2018 REAL has a Capital Budget of \$500,000.00 for 2019.
- There is currently no plan to fund capital expenditures in 2019 via external sources – in other words all capital projects in 2019 will be self-funded. REAL has established the capital budget based on EBTIDA forecast for 2019.
- The \$500,000.00 is a 75% reduction from the 2018 Capital Budget. The reduction in capital expenditure is two-fold – awareness of cash flow and the need to implement a formal capital expenditure process.
- The 2019 Capital Budget is not earmarked for any specific capital items but rather a general value which will be allocated based on the need and return on investment for the capital expenditure.
- A facility condition assessment will be completed in 2019 which will highlight repairs and improvements to the facilities that will be required to minimize our risk and improve on overall safety of our employees and guests. REAL feels it is important that a formal analysis and review be completed to ensure capital funds are being spent in a manner that is fiscally responsible in the future.
- It has been requested that the COR participate as a full partner in the REAL Facility Asset Condition Assessment Review. At this point we believe this request is consistent with what has been shared with COR Council and COR Executive Leadership Team. At this time the COR has neither confirmed nor declined their participation in this process.

- All capital expenditure requests in 2019 will be treated as '*one-off*' expenses at this time and will be reviewed by the REAL Executive Leadership Team based on safety, operational requirements, service deliver, and future business.

Sincerely,

Amanda Acorn

Governance Officer

The Regina Exhibition Association Limited

cc. June Schultz – Director of Finance, City of Regina
Tim Reid – President and Chief Executive Officer, REAL
Roberta Engel – Vice President Operations and Finance, REAL
