

Subject: Bylaw Amendment for Seasonal Off-Leash Dog Sites

As Chairperson for the Off Leash Dog Park User Group (OLDPUG) I wish to make a presentation to City Council in person, on April 29, 2019 regarding the creation of two new seasonal off leash dog areas in northwest Regina. I would like to present input from our off-leash group that I have collected through a request for feedback from the users of the existing dog parks.
