Zoning Bylaw1 message

I'm sending this email to add my name to the chorus of people who stand in opposition to this new zoning bylaw.

Crossfit iron society has been a great support for my rugby team, offering off season fitness and fundraising sponsorship opportunities. If this bylaw were to go in to effect it would threaten their business which would adversely affect members of both the crossfit and rugby communities.

I hope with all of the feedback you receive that you will reconsider your position on this.

Best wishes,

Aaron Hooke
