

Hello, to whom this may concern
I'm writing to strongly OPPOSE
the new zoning bylaw of 2019,
restricting recreation businesses from
operating in industrial zones!

Crossfit Regina has been a cornerstone
of my life in Regina. My workout
routine, my social gathering &
my family!!

If this bylaw passes, hundreds
of us will lose vital component
of our lives.

Please do NOT PASS this law!!
Sincerely, Sam L.
