Generation Innovation – Calgary, Alberta

Once a year, CUTA facilitates four days of sessions, interactive roundtables and networking opportunities that connect hundreds of professionals dedicated to transit. Our 2019 Annual Conference and Transit Show will be held from November 10 to 13 in Calgary, Alberta, with a program designed to appeal to a broad range of transit professionals from senior executives to operational and maintenance supervisors.

We are working with our host, Calgary Transit, and other industry leaders to build a truly innovative program. Our goal is to deliver an unforgettable conference experience that showcases our theme, **Generation Innovation**. Join us as we engage and empower the next generation of transit leaders to tackle our industry's challenges head on.

Our 2019 annual conference features a unique opportunity for youth aged 18 to 28 who are interested in being leaders in the transit industry. The **Transit for the Next Generation Young Leaders Summit** (YLS) will be held in Calgary from November 8 to 10, 2019. CUTA's YLS seeks to inspire a new generation of advocates for transit who are looking towards a more sustainable and equitable future. This is a great opportunity for enthusiastic delegates to network, share and learn more about public transit and sustainable transportation as well as advocacy and leadership.

This year we are also featuring a joint CUTA/UITP International Rail Forum for North America (IRFNA) with a focus on light rail, bus and paratransit. More information will follow soon!

Take advantage of our early-bird pricing until September 23!

Cost to attend: Member: \$995. Non-member: \$2300 (vendor), \$1095 (government/transit system).
