Bylaw No. 2018-13

- 2 **Reasons for Designation.** The reasons for designation as Municipal Heritage Property are as follows:
- a. Its architectural style and its historic significance and contribution to the historic streetscape of Regina's Heritage Neighbourhood. This residence is a representation of multicultural Regina and was built and owned by a Chinese Canadian entrepreneur.
 - b. Its style and materials used and demonstrated in domestic architecture in Regina during the Second World War period. As a masterpiece of the world war period in the prairies, it displays a unique architectural style of an attractive storybook cottage with a jerkinhead side-gabled roof, a shed-roofed front wall dormer and a projecting front entry with steeply-pitched gable roof and a rounded entry arch. Architectural details include eave brackets, window aprons and multipaned window assemblies. Early in its history, the house was extended to the rear, and an internal garage was added. The garage is evidence of the growing presence of automobiles in domestic life of the 1930s.
 - c. The residence has a historic value associated with the experience of a family of the Chinese-Canadian immigrants' community. It was built as the family home of Hoe Kwan (Howe) Louis (circa 1902-1966). A Chinese-Canadian entrepreneur Howe Louis was a successful businessman person with his shoe store who later owned and operated a night club by the name of Oriental Gardens. The residence is the witness of the experiences of early Chinese-Canadians who worked hard and succeeded to build a better life for themselves and their families despite significant prejudice prevalent during that time.
- 3 **Character Defining Elements.** The designations set forth in section 1 shall apply specifically to the exterior of the building and include the following character defining elements:
- a. Location, set back on a raised, north-facing site in Regina's Core East Neighbourhood.
 - b. Residential form, scale and massing as expressed by its asymmetrical design; one and one-half storey height; full basement; side-gabled roof and projecting front entry.
 - c. Storybook design features, including a jerkinhead roofline with open soffits and pointed vergeboards; shed-roofed front wall dormer, a projecting front entry with steeply-pitched gable roof; recessed niche above entry; stucco cladding; rounded entry arch; concrete front entry stairs with stucco-clad

stair cheeks with ashlar pattern, and wrought iron railings; eave brackets; window aprons; and multi-paned window assemblies.

- d. Variety of original wooden-sash windows, some with original brass hardware, including: double assembly 6-over-15 double hung windows in the Sun Room; 8 and 12-paned casement Palladian windows in the Living Room; 9-paned round windows in the side gables with coloured glass; and 6-over-1 double hung windows at the rear.
- e. Round-arched, wood-paneled front entry door, with round 9-paned glazed inset.
- f. Early attached garage at the basement level.

4 **Guidelines and Control.**

- a. Subject to subsection 4b, no person shall alter, restore, repair, disturb, transport, add to, move in any way, in whole or part, or remove any fixtures from the designated property, without the written approval of the Council of the City of Regina.
- b. The Council delegates to the Director of Development Services, or his/her delegate, the power to approve proposed alterations, repairs or restoral of the designated property, including as necessary replacement of building materials, in a fashion consistent with the existing architectural elements, appearance, colours and building materials, provided the same are consistent with “*Regina’s Municipal Architectural Heritage Design Guidelines*” as set forth in Schedule “A” to the City of Regina Bylaw No. 2007-78.
