Response	Number of Responses	Issues Identified
<i>Completely opposed</i>		
<i>Accept if many features were different</i>		
<i>Accept if one or two features were different</i>	2	- Noise issues from dogs
<i>I support this proposal</i>		

**1. Noise***Administration's Response:*

The animals are largely kept inside and should generate minimal noise. It should be noted that the existing commercial development contains the 24-Hour Animal Care Centre. This existing use has operated at the is location for many years with no issues given the animals are contained within the building.
