

Thank you for the invitation to attend the City of Regina's public council meeting to speak to Motion 19-4 on May 27th at 1:30pm to 4pm.

Attached are my supporting reference documents for posting to the City's website in advance. I reference these PDFs in my responses to the resolutions and they are numbered according to the item on the motion they will be referenced under. All PDFs are publicly shared already on the PCC website.

Thank you.
