To Whom It May Concern:

Globe Theatre is requesting to be in attendance for the upcoming City Council meeting on June 24, 2020. Globe has been asked to supply a supplemental report to go along with the recommendation made by the Finance and Administration Committee regarding the Globe Theatre Redevelopment Project -Funding Contribution Agreement. We would like to be available for further questions should there be any.

I would also like to request that James Youck from P3A Architecture firm be in attendance and available for any technical questions. James and myself will not be together so we would each require call in information. His email address is [jyouk@p3arch.com](mailto:jyouk@p3arch.com).

Thank you for your consideration.

Jaime Boldt  
Executive Director
