

NOTICE OF MOTION

September 30, 2020

City Clerk
City Hall
Regina, Saskatchewan

Dear Sir:

Please be advised that we will submit the following NOTICE of MOTION at the September 30, 2020 meeting of Regina City Council.

Re: Addictions Crisis

WHEREAS the number of overdoses and deaths caused by opioids in Regina are increasing significantly (in 2020 there have been 63 overdoses to date, compared to 21 in the whole of 2019);

WHEREAS the Official Community Plan recognizes that “Health and safety are key elements in ensuring that Regina remains a city of choice in which to live, work, and raise a family”;

WHEREAS public health is a matter of provincial jurisdiction, but the harm caused by substance use and addictions affects Regina residents;

WHEREAS city-funded agencies and services, like Regina Police Service and Fire and Protective Services, are already responsible for responding to overdoses in the community;

WHEREAS costs incurred applying Regina Police Service and Fire & Protective Services – our highest expense services – is a reactive solution and financially unsustainable, leading to negative tax implications;

WHEREAS City Council has already recognized the value of harm reduction in the Plan to End Homelessness;

WHEREAS City Council has approved the drafting of a Community Wellbeing and Public Safety strategy;

WHEREAS community organizations are taking on the responsibility of cleaning up used needles and drug paraphilia, as well as offering addiction services and supports; and

WHEREAS the City needs to show leadership in addressing these and other serious community and public health concerns;

THEREFOR BE IT RESOLVED that City Council commit to addressing the addictions and substance use crisis in Regina and that Administration:

1. Consider including addictions and substance use as part of the mandate for the Local Emergency Planning Committee;
2. Partner with community organizations to develop a City-wide needle cleanup and disposal strategy and funding model;
3. Work with community organizations, experts, users, Reconciliation Regina, Fire, the Regina Police Service, and the Saskatchewan Health Authority to develop a City-wide harm reduction strategy that may include, but not be limited to, needle drop off locations, safe consumption sites, safe drug supplies, wellness centres, traditional ceremonial spaces, detox facilities, supportive housing, and addiction support services, as part of the Community Wellbeing and Public Safety strategy;
4. Ensure that Indigenous communities are involved in the consultation and that Indigenous approaches to healing be considered in the strategy; and
5. Develop an advocacy strategy aimed at the provincial and federal governments to secure funding and support for harm reduction initiatives.

Respectfully submitted,
