

Hello,

I am resident of Westhill and our house backs 9th Avenue N. I fully support Motion 20-23 to remove heavy trucks and dangerous goods from 9th Avenue North.

The single-lane road has no shoulders and is too close to houses in WestHill. Allowing these trucks on 9th Avenue North is a disaster waiting to happen.

If 9th Avenue N was moved to the North with the installation of a proper berm to protect residents from accidents, dangerous goods and noise, I would be in support of truck traffic again BUT NOT UNTIL THE MOVING, BERM, AND EXAPSION OF THE ROADWAY IS COMPELTED.
