

NOTICE OF MOTION

June 12, 2014

City Clerk  
City Hall  
Regina, Saskatchewan

Dear Sir:

Please be advised that I will submit the following MOTION at the meeting of the Environment Advisory Committee of June 12, 2014:

Re: Waste Vegetable Oil Conversion

---

WHEREAS, the transformation of waste vegetable oil into clean energy is a “green” solution.

THEREFORE BE IT RESOLVED, that the Public Works and Infrastructure Committee request the City Administration provide a report to the Public Works and Infrastructure Committee in the third quarter, which includes options for feasibility and local design of a waste vegetable oil conversion system such as the vegawatt system which could be used for a pilot project in 3 locations that have a minimum of 2 deep fryers such as Evraz Place, University of Regina and 1 independent restaurant.

BE IT FURTHER RESOLVED, that the Environment Advisory Committee be kept updated on the status of this item.

Respectfully submitted,

Adam Sperling, Member  
Environment Advisory Committee
