Re: Official Community Plan 301 and Transit Master Plan 101

---

## RECOMMENDATION

That this communication be received and filed.

## BACKGROUND

The process to develop a new Official Community Plan (OCP) is well underway. Design Regina will replace the current OCP and will be the city's plan for guiding growth, development and change for the next 25 years. As such, the Plan will provide a city-wide policy framework that guides decisions on investments, services and actions.

The Administration will be making an OCP 301 presentation to the committee to provide an overview of the public engagement that occurred over the past year and the resulting Community Priorities. You be introduced to the next steps of the OCP process as well as the Transportation Master Plan which is being developed alongside the OCP.

Sincerely,

Kim Sare  
Project Manager, Official Community Plan Project
