CONCLUSION

This report reviews the status of outstanding items that have been referred to the Administration for reports to Public Works Committee. The Public Works Committee should review the items and provide instructions on the need for any changes to priorities.

BACKGROUND

Subsection 35(2) of City Council's Procedure Bylaw requires the City Clerk to provide a report to the Executive Committee annually which lists all items and the priority of the items that have been tabled or referred by City Council or one of its committees. The purpose of this report is to provide a list of the outstanding items for the Public Works Committee as at November 30, 2013.

DISCUSSION

Lists of Outstanding Items are maintained for City Council and its main committees. Items on the list may originate from:

- a recommendation in a report which indicates that another report will be forthcoming;
- a motion adopted to refer an item back to the Administration or to request a report on a related matter;
- a motion adopted by City Council or another committee requesting the Administration to prepare a report.

The Office of the City Clerk is responsible for maintaining and updating the lists. Items remain on the list until a report or the committee recommends their removal. The list is updated with additions and deletions, as meetings are held and after review by the Executive Committee. The last review of outstanding items as at December 7, 2012, was considered by Executive Committee on January 16, 2013.

The following steps were taken to facilitate the annual review of the outstanding items:

- the list of outstanding items as at October 30, 2013 was circulated to departments for comments;
- the comments and lists were returned to the Office of the City Clerk for consolidation.

In 2013, the outstanding items report is first being circulated to the affected Committees prior to Executive Committee consideration. This process allows committees to have more detailed discussions of each item with the Administration and among themselves to determine priorities for Council consideration.

Attached to this report as Appendix “A” is a list of the outstanding public session items before the Public Works Committee. To assist the Committee, the list has been updated by deleting any items which were removed by resolution of committee during 2013.

Re: Consideration of Meeting Dates and Times for 2014

RECOMMENDATION

1. That 2014 meetings of the Public Works Committee be held on Thursdays at 4:00 p.m. on the following dates:

January 9 (previously approved)	July 3
February 13	August 7
March 13	September 11
April 3	October 2
May 8	November 13
June 5	December 4

2. That the first meeting of the Public Works Committee in 2015 be held on Thursday, January 15, at 4:00 p.m.

CONCLUSION

The Committee should review the information contained within this report and confirm the proposed meeting dates for 2014.

BACKGROUND

City Council, at its meeting held on November 25, 2013, approved the meeting schedule for regular Council and Executive Committee meetings for 2014. A calendar which lists approved meeting dates for City Council and the Executive Committee is attached as Appendix "A". Their schedule is set each year in accordance with the provisions of *The Procedure Bylaw, 9004*. Committees of City Council are then asked to establish regular meeting dates and times. The purpose of this report is to facilitate the establishment of 2014 regular meeting dates for the Public Works Committee.

DISCUSSION

The Public Works Committee should establish its regular meeting schedule for 2014, with the dates selected:

- to allow timely submission of reports to City Council or other committees
- to avoid conflict with other scheduled meetings, such as the Executive Committee
- to fit the schedules of Committee members.

Based on the above, and after consultation with committee members and a review of last year's Public Works Committee meeting dates, it is proposed that regular meetings now be held on Thursdays, rather than on Tuesdays, as in previous years. This is being suggested to avoid conflict with Finance and Administration meetings that are also scheduled on Tuesdays, as well as not scheduling meetings for the week prior to City Council meetings to allow more time for delegations to prepare presentations to City Council.

It is proposed that regular meetings for 2014 be held on the following Thursdays at 4:00 p.m.:

January 9 (previously approved)	July 3
February 13	August 7
March 13	September 11
April 3	October 2
May 8	November 13
June 5	December 4

It is also proposed that the Public Works Committee select a date for its first meeting in January 2015. Based on this year's meeting schedule, it is proposed the committee hold its first meeting of 2015 on Thursday, January 15, 2015 at 4:00 p.m.

COMMUNICATIONS

Once all the committees and boards have set their meeting dates for 2014, a calendar will be circulated which includes the meeting dates of City Council and all committees. This calendar will be provided to the local media and any other interested parties who request the information.
