**The motion was put and declared LOST due to a tie vote.**

At the April 14, 2021 meeting of City Council, Councillor Jason Mancinelli rose on a Point of Procedure respecting the technical difficulties he encountered at the March 31, 2021 meeting during the vote on MN21-1: Reconsider Decision Item CR21-16: Lorne Street – Contract Zone Application. He explained that when called upon to cast his vote remotely, as per COVID-19 restrictions, he was unable to do so despite repeated attempts. As a consequence, when the vote was tallied, the results showed a tie vote of 5-5, thereby leading to recommendations #2 and #3 being LOST. The meeting was subsequently adjourned before Councillor Mancinelli was able to re-establish contact.

The City Clerk informed members of Council that in keeping with the spirit and intent of Section 26(6) of *The Procedure Bylaw*, whereby . . . “no member shall change his vote without the unanimous consent of the other members present”, he believed that Councillor Mancinelli’s request to have his vote recorded was warranted and appropriate under the circumstances.

Mayor Masters, after receiving unanimous consent from members to allow Councillor Mancinelli to cast his vote, called upon him to do so. Councillor Mancinelli voted “yes” and his vote was included in the previous results from March 31<sup>st</sup>. As a result of his

vote, the final result was 6-5 in favour, thereby leading to recommendations #2 and #3 being CARRIED.

Vote on recommendations #2 and #3.
