### 3. How safe do you feel when providing rideshare services in Regina?

### 4. Are there additional safety features the City of Regina could require in order to improve you or your passengers' safety?

Plastic transparent screen for safety against Covid 19 dissemination

---

I think put camera

---

Maybe

---

some road are in very bad conditions because of bumps, so please repair that

---

The driver should have class4 & above driver license

---

Give the drivers the ability to ban or block riders that they didn't feel safe with

---

Passengers are so safe and for drivers camara will be good.

---

Safety come first

---

Need to install recording camera

---

Its always better to have more safety in place.

**5.2. Please rate your agreement with the following statements. I would continue to provide rideshare services in the City of Regina if:**

- In person criminal record checks conducted by the Regina Police Service were required (opposed to the current online request)

**5.3. Please rate your agreement with the following statements. I would continue to provide rideshare services in the City of Regina if:**

- Drivers were required to obtain a rideshare licence from the City of Regina in addition to being approved by the rideshare platform.

**5.4. Please rate your agreement with the following statements. I would continue to provide rideshare services in the City of Regina if:**

- The City limited the number of rideshare driver licences available. The City would determine who receives a licence as well as how many licences could be issued. After the maximum number of licences were issued, no further licences would be available.
