

WRITTEN SUBMISSION

City Council Meeting

Date: October 13, 2021

Report: CR21-140 Regina Planning Commission: Zoning Bylaw Amendments – Various School Sites

Delegation: Delaine Clyne, Regina Public Schools

Good Afternoon. My name is Delaine Clyne. I am the Supervisor of Policy, Planning and Research at Regina Public Schools. The Division would like to communicate to Mayor Masters and City Council that the Division supports the recommendation put forward by the Regina Planning Commission in this report and we'd also like to express our appreciation to the City's Real Estate and Planning departments for their assistance in moving these land transactions to completion.

I'm available for any questions that the Mayor or Council members may have specifically for the school division.

Thank you.
