

Our project fits many of the priorities and provides 42 units of 24 /7 on site support provide by Phoenix Residential for a 20 year period

Although I believe that silver sage is a great organization, they struggle with support services such as the project for women on Dewdney and senior project housing project at their main site on 1st Ave north main site. Phoenix after 3 year working with them certainty demonstrates to have the science down

We simply ask to be your second choice.

City planning department has put details and our executive summary which I can send once back in city
