RE: City Council Brief

Hello,

I(we) am making a request to speak at the Nov 24th 2021 meeting for the city council meeting, regarding the Fire master plan.

We want to discuss our support for the fire master plan and answer any questions city council may have regarding the Union's position on the fire master plan for the Regina Fire and protective services. We may also refer to our own GIS study performed by the International Association of Fire Fighters , see attached document.
