Dear Sir:

Please be advised that I will submit the following NOTICE of ENQUIRY at the May 27, 2019 meeting of Regina City Council.

Re: Make Regina a Renewable City

Further to *The Procedure Bylaw, Bylaw No 9004*, I would like to request that the following enquiries to Regina City Administration be tabled at the May 27, 2019 meeting of Regina City Council and that the answers appear on a subsequent City Council meeting agenda. The enquiries are as follows:

Further to item MN18-11 Make Regina a Renewable City that City Council passed on October 29, 2018, please advise:

1. If the report due in Q4 2019 could be made available at an earlier date and, if so, when?
2. If the four possible actions for improving the environmental sustainability of the City have been identified and, if so, what are they?

Respectfully submitted,

Bob Hawkins
Councillor - Ward 2
