Response	Number of Responses	Issues Identified
<i>Completely opposed</i>	1	-Cleanliness of vacant lots
<i>Accept if many features were different</i>		
<i>Accept if one or two features were different</i>	1	- Concerns over alleys being blocked during construction
<i>I support this proposal</i>		

**1. Cleanliness***Administration's Response:*

The Zoning Bylaw does not regulate the cleanliness of vacant lots. It is anticipated that development will rid the vacant lots of refuse.

**2. Alleys***Administration's Response:*

The Zoning Bylaw does not regulate the placement of construction vehicles during active construction. A construction vehicle is not anticipated to block the alley and it is anticipated that regular vehicular access to the alleys will be maintained throughout construction.
