Re: Application for Heritage Designation (RPC20-37) – 2125 11th Avenue

Dear Ms. Hawryluk:

Thank you for the opportunity to comment on this heritage designation request on behalf of Regina Downtown Business Improvement District (RDBID).

Regina Downtown Business Improvement District offers support for the heritage designation of the Darke Block, located at 2125 11th Avenue as a Municipal Heritage Property. We support the applicant's desire to rehabilitate the property and their future intent to apply for financial assistance under the Heritage Building Rehabilitation Program. We applaud the applicant's commitment to the Darke Block which holds such a prominent location on 11th Avenue.

Designation of heritage properties should be encouraged in Downtown Regina. It is our hope that the heritage designation for the Darke Block is successful and that the applicant is able to move forward their plans for rehabilitation of the property.

Should you have any questions, please do not hesitate to contact me at 306.359.7573.

Thank you.

Sincerely,

Judith Veresuk
Executive Director
